

## The Vail Health Howard Head Sports Residency Application 2018-2019

Application submissions need to contain the following to be considered for review:

- Howard Head Contact Information Summary
- Current Licensure or documentation demonstrating intent to sit for licensure prior to the start of the program, July 2018
- Current Emergency Medical Responder Certification, EMT Certification, and/or proof of certification as an Athletic Trainer or documentation demonstrating intent to obtain one of the above certifications, prior the start of the program, July 2018
- Current curriculum vitae
- Letter of Intent
  - Should describe your specific interest in the Howard Head Sports Residency, not just sports residencies in general, as well as your career goals and objectives following graduation
- 3 letters of recommendation
  - At least one must be from a licensed physical therapist who can comment on the applicant's skills, proficiency, and overall professionalism in a clinic environment
- Essay response limited to 5,000 characters answering the following question:

***“What is the best compliment you have ever received and why?”***

---

Interested individuals should submit application packets to the following to the address listed below, on or before Friday, January 19<sup>th</sup>, 2018.

Thomas Olson, PT, DPT, SCS  
Director of Research and Education  
Howard Head Sports Medicine – Physical Therapy  
Vail Valley Medical Center  
181 W. Meadow Drive  
Vail, CO 81657  
thomas.olson@vailhealth.org

Once application packets are received and reviewed by HHSR Faculty, top candidates will be contacted by Friday, February 2<sup>nd</sup>. These candidates will be offered the opportunity to interview at the Howard Head clinic in Vail on Monday, March 5<sup>th</sup>. The two residents selected for the 2018-2019 class will be notified within two weeks following the interview.
